DIRECTORS' REPORT

To the Members,

Your Directors are happy to present the 32nd Annual Report together with the audited statements of Accounts for the period ended 31st March 2022.

1. THE FINANCIAL SUMMARY OR HIGHLIGHTS

(Rs. In Lakhs)

	Year Ended 31-03-2022	**Year Ended 31-03-2021**
Income from operations	1801.65	1303.56
Other income	19.85	15.23
Total	1821.50	1318.79
Total Expenditure	1733.14	1285.91

No Material changes and commitments, affecting the financial position of the company has occurred between the end of the financial year of the company to which the financial statement relate and the date of the report.

5. THE CHANGE IN THE NATURE OF BUSINESS:

There is no change in the nature of the Business during the financial year. However, during the year under review, the Company sold off the business activity of providing translation and localization services, which was introduced by the Company vide shareholders' approval dated 8th February, 2020. The said business activity was sold off as it did not have much synergy with the existing line of granite business. The other issues with the said business activity were its heavy dependence on few key clients, short term high value projects and other operational risks.

Hence, the Board of Directors, in their meeting held on 25th November, 2021, decided to sell off the said business activity and a Business Transfer Agreement (BTA) dated 17th January, 2022 was entered into between the Company and the Buyer.

The date of completion of sale of said business activity was 31st March, 2022, by which the Company had transferred the Translation and Localization business by giving possession and delivery to the Buyer as envisaged in the BTA, including collecting outstanding payments and crediting it to the Buyer.

MANAGEMENT DISCUSSION AND ANALYSIS

The Management of Milestone Global Limited is pleased to present the following Management Discussion and Analysis Report which contains a brief write-up on the industry structure, opportunities and concerns, performance of the Company with respect to the operations other information.

This chapter on Management Discussion and Analysis forms a part of the compliance report on Corporate Governance

Indian Economy and Industry Overview

India has emerged as the fastest growing major economy in the world and is expected to be one of the top three economic powers in the world over the next 10-15 years, backed by its robust democracy and strong partnerships.

India's economy is expected to have grown at 9.2 per cent in the fiscal ended March 2022, after having contracted by 7.3 per cent in the previous financial year. India's economy is poised to recover in FY22 after contracting by 7.3 per cent in FY21.

However, there are downside risks emanating from the Russia-Ukraine conflict, soaring of commodity prices and acceleration in global inflation going ahead.

As per government's advance estimates, the gross domestic product (GDP) in FY22 is projected to grow by 8.9 per cent. The main factors contributing to this kind of growth are -- resilience shown by the rural sector with normal monsoon and higher production of foodgrains; uptick in bank credit growth to push financial services and improvement in services sector. Higher GST collections have also provided much needed support.

The International Monetary Fund (IMF) expects India's economy to grow by 9 per cent in FY22, while Asian Development Bank (ADB) has projected India's growth at 7.5 per cent. The overall impact of Omicron variant which resulted in the 3rd wave of COVID-19 seems to be relatively muted than was initially anticipated. Further, rapid pick up in the pace of vaccination programme is also expected to support growth.

Granite exports are finding their feet back. Though the GOI again announce a 3-week lockdown in May 2021, the production was hit but not as much as last year. The production bounced back as soon as the lockdown was lifted. In the subsequent months, the Company could also compensate for the lost production. However, due to the Ukraine crisis, the company feels great inflationary pressures from, raw materials' cost, transportation, labour cost and cost of imported stone, and consumables. However, the recession in the international market as predicted, could also lead to loss of production in the coming months and next year also.

The Company had entered a new industry in the year 2020, namely localization and translation services. The Indian translation industry is young and evolving as compared to the translation industry in developed nations which have organised workflows in place. However, it was felt that this is a very promising space and hence this business was introduced in the Company, as a new line of business activity.

Sadly, this new business activity did not have much synergy with the existing line of granite business. The other issues with the new business were its heavy dependence on few key clients, short term high value projects and other operational risks. Therefore, the Company sold off the new business activity of localization and translation services to a private company by the name of Milestone Localization Private

Limited ("Buyer"), at a valuation of Rs 36.76 lakhs, as computed by the Registered Valuer duly appointed for the said purpose. The Company entered into a Business Transfer Agreement dated 17th January, 2022 with the said Buyer whereby the Buyer agreed to buy the business of providing Translation and Localization services as going concern basis.

Granite Industry- Structure and Developments

Granite is being preferred over other stones due to its resistance to wear and tear as well as weathering which makes granite ever-lasting stone. India has one of the best granite deposits in the world having vast varieties comprising over 200 shades. India accounts for over 20% of the world resources in granite.

Splendid black and multi-colour varieties of granite are available in the states of Karnataka, Andhra Pradesh, Tamil Nadu and Uttar Pradesh. Granite deposits are also widespread over provinces of Rajasthan, Bihar, West Bengal and Gujarat.

India continues to be one of the leading countries in the production and export of granite and other stones. India has vast resources of granite with about 125 varieties of different colors and textures such as black, grey, pink, multi colored etc. These varieties are used to produce monuments, building slabs, titles, surface plates etc. About 125 varieties of granites have been identified for processing as products for exports. The deposits are widely spread over the entire country. However, popular varieties are mainly found in South India.

By general consensus, India and Brazil have been blessed by nature with the widest variety of the most beautiful granites. Yet, when it comes to processing facilities, their development has been way below the potential. The volatile nature of the Brazilian economy with lot of uncertainty over the last decade, has discouraged investment. The market share of China in the international trade in granite has been steadily increasing in recent years. Only China remains a threat to other countries in the manufacture and export of granite.

Problems Related To Granite Mining Industry

- **PRODUCTIVITY**

The main problem of Granite Mining Industry in India is the low productivity and high wastage. The granite mining industry in India is far behind in terms of productivity compared to countries like Italy, Brazil, Spain, Norway, South Africa etc. The low productivity is mainly due to conventional methods of mining adopted at present.

- **MODERNIZATION**

The main obstacle for modernizing the quarry is high capital investments in modern mining equipment. Quarries are always under threat of closure due to license and environment issues, making it difficult for them to have long term vision. Investment in mining equipment can take several years to recover, stability and guarantee of continuity of operations is required to make these investments

- **LABOUR MANAGEMENT**

The low productivity per worker and less man-hour utilization is another problem for the granite quarrying in India. The lack of exposure to modern quarrying and training for the Indian workers is a major reason for the low productivity of the workers. It is high time that Government and the industry should work

together to establish a Training Institute to educate and train the work force, which will help the mining industry to a great extent.

- **LEASING POLICY**

The Government should announce a long-term mining policy and stop frequent changes of leasing policies as adopted by various state Governments. Granite mining is a high-risk area where there is no guarantee on return on investment. The mining of a natural product requires a long period of time to develop the land and infrastructure and high investment for economical operations. Hence the leases of quarry lands should be on long-term basis of minimum of 30 years as in other countries where it is normally ranging from 30 to 90 years. It is impossible for anyone to invest in machines and modernize the quarry in the absence of long time leasing.

- **EXPLORING NEW AREAS**

As per the geological survey, India has a vast area of abundant granite deposits of various colours that are still to be explored. The government should encourage entrepreneurs to explore the new areas on recommendations as stated above. Every effort should be taken by both the government and the granite industry to improve the country's share in the world market by exploring new areas.

The government should also guarantee free trading without imposing any restrictions on exports of blocks.

- **SIMPLIFICATION OF PROCEDURES**

The procedures of lease agreements, permits for movement of blocks, payments of royalty etc, must be simplified. Most of the times the dispatches are held up due to delay in getting the permits and particularly during holidays, strike etc. Since highly valuable goods are presently allowed on self-removal scheme, the granite blocks can also be allowed under the same scheme in place of the present permit system.

Problems Related To Granite Processing Industries

- **INFRASTRUCTURE DEVELOPMENT**

The existing infrastructure to meet the needs of the stone sector in India is extremely poor and inadequate for the growing demand. The infrastructure facilities like road, rails, electricity services, water sources need to be improved.

The movement of either the blocks from the quarries or the containers from the factories to the ports is always cumbersome. Quarry access roads are still not developed which restricts the sizes and the movements of the blocks. Even the highways are not sufficient for easy movement of trucks.

The infrastructure is the backbone for any industry to operate economically and compete in the world market. Unless proper facilities are created for smooth traffic and movement of materials, further development will not be possible

- **AVAILABILITY OF BLOCKS**

The major problem highlighted by the processing industries is the non-availability of best quality blocks for the processing. The first quality blocks, which are free from defects and larger in size, are always given preference for exports. Hence the local processing factories have to depend on smaller size blocks, which resulted in high processing wastage, higher production cost and thereby, high selling price. This is one of

the reasons for the less competitiveness of finished products in the world market. It must be the aim for both government and the industry to expand the processing capacity of the country to get more value addition.

- **MODERNIZATION AND UPGRADATION OF PROCESSING TECHNOLOGY**

The consistent modernization of the factory and upgrading of the processing technology by installing new machines will improve the productivity and reduce production cost.

The major threat areas include:

1. Container shortage and global shipping crisis
2. Non-Availability of best quality blocks for processing.
3. Frequent power disruptions and high dependency on diesel affecting the production and the cost of raw materials and finished goods.
4. Lack of roper infrastructure.

Prospects For The Granite Industry

In North America and Europe consistent quality control, and prompt deliveries to the buyers are very important to procure more orders and stay in business, new products with new design should be developed by constant up gradation of existing technology to sustain growth.

The following factors are motivating the growth of granite industry

1. Introduction of Stones for new applications and utilities etc.
2. Spurt in demand for Indian Granites Worldwide.
3. Increased domestic demand.

Technologies advances and market competition has changed the basis feature of the industry the margins it works with. While granite has an image of a luxury product, in the production side, the processing industry has changed from being a low volume high margin one to a low margin high volume business.

- The future for the granite industry for both blocks and finished products is encouraging. India can improve its export performance as the processing capacity is very low, with less than 8% of gangsaws installed in the world. The increase in export of blocks and finished products during the last year is an indication of the encouraging signs of market improvement. In spite of so many problems, the demand for granite products is increasing everywhere with consistent growth rate of consumption.

- India, which is blessed with various types of unique colours and large deposits of granite, is certain to get its due share in the ever-growing world market. Many countries are worried about the strong entrance of China in the market but the fact is that China landed up importing more rough blocks and finished products due to high domestic demand.

- The worldwide improvement of transportation system with more and more bulk vessels will also help many countries to import more thereby boosting our exports.

Internal Control Systems And Their Adequacy

The Company has adequate system of internal control relating to the purchase of raw materials, Stores, Consumables and Packing Materials, and for the sale of goods commensurate with the size of the Company and the nature of business.

The system of internal control of the Company is adequate keeping in mind the size and complexity of your Company's business. Systems are regularly reviewed to ensure effectiveness.

The Audit Committee of the Company meets periodically to review and recommend quarterly, half yearly and annual financial statements of the Company.

Discussion On Financial Performance with Respect to Operational Performance

The Turnover achieved by the Company for the year ended 31.03.2022 is Rs 1,801.65 Lakhs as compared to the Previous Year turnover of Rs 1,303.56 Lakhs showing increase by Rs. 498.09 Lakhs. The Company has earned a net profit of Rs. 66.77 lakhs as against profit of Rs. 0.33 lakhs in the previous year showing an increase by Rs. 66.44 lakhs.

Impact of COVID-19

The World Health Organization had declared a global pandemic of the Novel Coronavirus disease (COVID-19) in February, 2020. To prevent the rapid rise of infection, government of almost all countries severely restricted travel, mandated extreme social distancing measures and reduced demand supply chains to only those that are essential.

In May 2021, the GOI announced a 3-week lockdown, wherein no operations were allowed. The production was hit but not as much as last year. As the threat perception was reduced as compared to the year before, the labour came back to work in full force once the lockdown was lifted.

The production bounced back as soon as the lockdown was lifted. In the subsequent months, the Company not only compensated for the lost production but was able to increase the turnover by 38.21% over the previous financial year.

The shipping container shortage still looms with almost no let up. It is expected to ease only, if at all, in the next year. This problem has compounded due to the Ukraine crisis.

Due to the Ukraine crisis, the company feels great inflationary pressures from, raw materials' cost, transportation, labour cost and cost of imported stone, and consumables.

We are only able to pass on some of these costs to the customers, we are hoping and praying for a speedy resolution of the Ukraine crisis, so that all costs can come down to manageable limits

Human Resources / Industrial Relations

INDEPENDENT AUDITOR'S REPORT

To the Members of MILESTONE GLOBAL LIMITED

Report on the Audit of the standalone Financial Statements

Opinion

We have audited the standalone financial statements of "MILESTONE GLOBAL LIMITED" ("the Company"), which comprise the balance sheet as at 31st March 2022, and the statement of Profit and Loss, statement of changes in equity and statement of cash flows for the year then ended, and notes to the financial statements, including a summary of significant accounting policies and other explanatory information. (Hereinafter referred to as "the standalone financial statements'')

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid standalone financial statements give the information required by the Act in the manner so required and give a true and fair view in conformity with the Indian Accounting Standards prescribed under section 133 of the Act, read with the Companies (Indian Accounting Standards) Rules 2015, as amended,("Ind AS ") and other accounting principles generally accepted in India, of the state of affairs of the Company as at March 31, 2022, and profit, changes in equity and its cash flows for the year ended on that date.

Basis for Opinion

We conducted our audit in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Companies Act, 2013. Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the Companies Act, 2013 and the Rules there under, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Other Information

The Company's Board of Directors is responsible for the preparation of the other information. The other information comprises the information included in the Director's Report including Annexures to Director's Report etc., but does not include the financial statements and our auditor's report thereon. The Director's Report including Annexures to Director's Report etc. is not made available to us till the date of this report and is expected to be made available to us after the date of this Auditors' Report.

Our opinion on the standalone financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

Management's Responsibility for the Standalone Financial Statements

The Company's Board of Directors is responsible for the matters stated in section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation of these standalone financial statements that give a true and fair view of the financial position, financial performance, changes in equity and cash flows of the Company in accordance with the Ind AS and other accounting principles generally accepted in India. This

responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statement that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The Board of Directors are also responsible for overseeing the company's financial reporting process.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions,
- misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Companies Act, 2013, we are also responsible for expressing our opinion on whether the company has adequate internal financial controls system in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

Report on Other Legal and Regulatory Requirements

As required by the Companies (Auditor's Report) Order, 2020 ("the Order"), issued by the Central Government of India in terms of sub-section (11) of section 143 of the Companies Act, 2013, we give in the**" Annexure A"** a statement on the matters specified in paragraphs 3 and 4 of the Order, to the extent applicable.

As required by Section 143(3) of the Act, we report that:

a. We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit.
b. In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books.
c. The Balance Sheet, the Statement of Profit and Loss including other comprehensive income , statement of changes in Equity and the Cash Flow Statement dealt with by this Report are in agreement with the books of account.
d. In our opinion, the aforesaid standalone financial statements comply with the Ind AS specified under Section 133 of the Act.
e. On the basis of the written representations received from the directors as on 31st March, 2022 taken on record by the Board of Directors, none of the directors is disqualified as on 31st March, 2022 from being appointed as a director in terms of Section 164 (2) of the Act.
f. With respect to the adequacy of the internal financial controls over financial reporting of the Company and the operating effectiveness of such controls, refer to our separate Report in **Annexure B.**
g. With respect to the other matters to be included in the Auditor's Report in accordance with the requirements of Section 197(16) of the Act, as amended:
   In our opinion and to the best of our information and according to the explanations given to us, the remuneration paid by the Company to its directors during the year is in accordance with the provisions of section 197 of the Act.
h. With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us:

   i. The Company has disclosed the impact of pending litigations on its financial position in its financial statements -Refer note no. 34 to the financial statements
   ii. The Company did not have any long-term contracts including derivative contracts for which there were any material foreseeable losses.
   iii. There were no amounts which were required to be transferred to the Investor Education and Protection Fund by the Company.

iv (a) The Management has represented that, to the best of its knowledge and belief, as disclosed in the note no. 32 to the accounts, no funds have been advanced or loaned or invested (either from borrowed funds or share premium or any other sources or kind of funds) by the Company to or in any other person(s) or entity(ies), including foreign entities ("Intermediaries"), with the understanding, whether recorded in writing or otherwise, that the Intermediary shall, directly or indirectly lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Company ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries.

iv (b) The Management has represented, that, to the best of it's knowledge and belief, other than as disclosed in the note no. 32 to the accounts, no funds have been received by the Company from any person(s) or entity(ies), including foreign entities ("Funding Parties"), with the understanding, whether recorded in writing or otherwise, that the Company shall, directly or indirectly, lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Funding Party ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries.

Based on such audit procedures we have considered reasonable and appropriate in the circumstances; nothing has come to our notice that has caused us to believe that the representations under sub-clause (iv) and v) above contain any material misstatement.

v The company has not declared or paid any dividend during the year.

(b) The company has not conducted any Non- Banking Financial or Housing Finance activities without a valid Certificate of Registration (CoR) from Reserve Bank of India.

(c) The company is not a Core Investment Company as defined in the regulations made by Reserve Bank of India. Therefore, provisions of paragraph 3 (xvi)(c) of the Companies (Auditors' Report) order , 2020 , are not applicable to the company.

(d) According to the information and explanations given to us, the company's group does not have more than one Core Investment Company (CIC) as part of the group.

xvii The company has not incurred cash losses in the financial year covered by our audit and in the immediately preceding financial year .

xviii There has been no resignation of the statutory auditors during the year and therefor the provisions of paragraph 3(xviii) of the Companies (Auditors' Report) order, 2020, are not applicable to the company.

xix According to the information and explanations given to us and on the basis of the financial ratios, ageing and expected dates of realization of financial assets and payment of financial liabilities, other information accompanying the financial statements, our knowledge of the Board of Directors and management plans and based on our examination of the evidence supporting the assumptions, nothing has come to our attention, which causes us to believe that any material uncertainty exists as on the date of the audit report that company is not capable of meeting its liabilities existing at the date of balance sheet as and when they fall due within a period of one year from the balance sheet date. We, however, state that this is not an assurance as to the future viability of the company. We further state that our reporting is based on the facts up to the date of the audit report and we neither give any guarantee nor any assurance that all liabilities falling due within a period of one year from the balance sheet date, will get discharged by the company as and when they fall due.

xx (a) According to the information and explanations given to us and based on such audit procedures we have considered reasonable and appropriate in the circumstances; section 135 of companies' act is not applicable to the company. Therefore provisions of paragraph 3 (xx)(a) of the Companies (Auditors' Report) order , 2020 , are not applicable to the company.

xx (b) In view of our comments in paragraph 3(xx)(a) above, the provisions of paragraph 3 (xx)(b) of the Companies (Auditors' Report) order, 2020, are not applicable to the company.

ANNEXURE - B TO THE AUDITORS REPORT OF EVEN DATE ON THE STANDALONE FINANCIAL STATEMENTS OF MILESTONE GLOBAL LIMITED

Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")

We have audited the internal financial controls over financial reporting of MILESTONE GLOBAL LIMITED ("the Company") as of 31 March 2022 in conjunction with our audit of the standalone financial statements of the Company for the year ended on that date.

Management's Responsibility for Internal Financial Controls

The Company's management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India ('ICAI'). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditors' Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls over Financial Reporting (the "Guidance Note") and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

Meaning of Internal Financial Controls over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with

authorisations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls Over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at 31 March 2022, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

Rights, Preferences and restrictions attached to equity shares:

The Company has single class of equity shares. Accordingly, all equity shares rank equally with regard to dividend and share in the Company's residual assets. The equity shareholders are entitled to receive dividend as declared from time to time. The voting rights of an equity shareholder on a poll (not on show of hands) are in proportion to its share in the paid- up equity capital of the Company. Voting rights cannot be exercised in respect of shares on which any call or other sums presently payable have not been paid. In the event of liquidation of the Company, the holders of equity shares will be entitled to receive the residual assets of the Company, remaining after distribution of all preferential amounts in proportion to the number of equity shares held.

Note 39: SIGNIFICANT ACCOUNTING POLICIES

Reporting Entity

Milestone Global Limited (the "Company ") is a company domiciled in India and limited by shares (CIN: L93000KA1990PLC011082). The shares of the company are publicly traded on the Bombay Stock Exchange Limited. The address of the company's registered office is 54-B Hoskote Industrial Area, KIADB, Chintamani Road, Hoskote, Bangalore, KARNATAKA – 562114. The company is primarily engaged in the business of manufacturing, processing, exporting, selling, importing, designing, contracting and otherwise dealing in granite tiles, marbles, slabs & other stones for monuments for construction purpose in India & abroad and to acquire by purchase, lease, license or otherwise stone quarries of all kinds or other rights in stone quarries of all kinds.

39.1 Basis of preparation

The financial statements of the Company have been prepared in accordance with Indian Accounting Standards (Ind AS) notified under the Companies (Indian Accounting Standards) Rules,2015.

39.2 Current and non-current Classification

The Company presents assets and liabilities in the Balance Sheet based on current/ non-current classification. An asset is treated as current when:

(a) it expects to realise the asset, or intends to sell or consume it, in its normal operating cycle;
(b) it holds the asset primarily for the purpose of trading;
(c) it expects to realise the asset within twelve months after the reporting period; or
(d) the asset is cash or a cash equivalent (as defined in Ind AS 7) unless the asset is restricted from being exchanged or used to settle a liability for at least twelve months after the reporting period. All other assets are classified as non-current.

An entity shall classify a liability as current when:
(a) it expects to settle the liability in its normal operating cycle;
(b) it holds the liability primarily for the purpose of trading;
(c) the liability is due to be settled within twelve months after the reporting period; or
(d) it does not have an unconditional right to defer settlement of the liability for at least twelve months after the reporting period. Terms of a liability that could, at the option of the counterparty, result in its settlement by the issue of equity instruments do not affect its classification.
All other liabilities are classified as non-current.

39.3 Revenue recognition

39.3.1 Sales revenue

Revenue from the sale of goods is recognised when all the following conditions have been satisfied:

(a) the entity has transferred to the buyer the significant risks and rewards of ownership of the goods;
(b) the entity retains neither continuing managerial involvement to the degree usually associated with ownership nor effective control over the goods sold;
(c) the amount of revenue can be measured reliably;
(d) it is probable that the economic benefits associated with the transaction will flow to the entity; and
(e) the costs incurred or to be incurred in respect of the transaction can be measured reliably.

Revenue is measured at the fair value of the consideration received or receivable, taking into account contractually defined terms of payment and excluding taxes, levies or duties collected on behalf of the government/ other statutory bodies.
The taxes, levies or duties are not considered to be received by the Company on its own account and are excluded from net revenue.

39.3.2 Interest
Interest income is recognised using the Effective Interest Method.

39.3.3 Dividend
Dividend income from investments is recognised when the rights to receive payment is established.

39.3.4 Other Claims
Other claims (including interest on delayed realization from customers) are accounted for, when there is certainty of realisation.

39.4 Property, Plant and Equipment (PPE)

Land is carried at historical cost. Historical cost includes expenditure which are directly attributable to the acquisition of the land like, rehabilitation expenses, resettlement cost etc.

After recognition, an item of all other Property, plant and equipment are carried at its cost less any accumulated depreciation and any accumulated impairment losses under Cost Model. The cost of an item of property, plant and equipment comprises:
(a) its purchase price, including import duties and non-refundable purchase taxes, after deducting trade discounts and rebates.

(b) any costs directly attributable to bringing the asset to the location and condition necessary for it to be capable of operating in the manner intended by management.

(c) the initial estimate of the costs of dismantling and removing the item and restoring the site on which it is located, the obligation for which an entity incurs either when the item is acquired or as a consequence of having used the item during a particular period for purposes other than to produce inventories during that period.

Each part of an item of property, plant and equipment with a cost that is significant in relation to the total cost of the item depreciated separately. However, significant part(s) of an item of PPE having same useful life and depreciation method are grouped together in determining the depreciation charge.

Costs of the day to-day servicing described as for the ‘repairs and maintenance’ are recognised in the statement of profit and loss in the period in which the same are incurred.

Subsequent Measurement
Subsequent cost of replacing parts of an item of property, plant and equipment are recognised in the carrying amount of the item, if it is probable that future economic benefits associated with the item will flow to the Company; and the cost of the item can be measured reliably. The carrying amount of those parts that are replaced is derecognised in accordance with the de recognition policy mentioned below.

When major inspection is performed, its cost is recognised in the carrying amount of the item of property, plant and equipment as a replacement if it is probable that future economic benefits associated with the

item will flow to the Company; and the cost of the item can be measured reliably. Any remaining carrying amount of the cost of the previous inspection (as distinct from physical parts) is derecognised.

An item of Property, plant or equipment is derecognised upon disposal or when no future economic benefits are expected from the continued use of assets. Any gain or loss arising on such de recognition of an item of property plant and equipment is recognised in profit and Loss.

Depreciation
Depreciation on property, plant and equipment, except freehold land, is provided on straight line method based on useful life specified in schedule II to the Companies Act, 2013.The residual value of Property, plant and equipment is considered as 5% of the original cost of the asset.

Depreciation on the assets added / disposed of during the year is provided on pro-rata basis with reference to the month of addition / disposal.

Capital Expenses incurred by the company on construction/development of certain assets which are essential for production, supply of goods or for the access to any existing Assets of the company are recognised as Enabling Assets under Property, Plant and Equipment.

Transition to Ind AS
The company elected to continue with the carrying value as per cost model (for all of its property, plant and equipment as recognised in the financial statements as at the date of transition to Ind AS (01-04-2017), measured as per the previous GAAP.

39.5 Impairment of Assets

The Company assesses on a forward-looking basis the expected credit losses associated with its assets carried at amortised cost and FVOCI debt instruments. The impairment methodology applied depends on whether there has been a significant increase in credit risk.

With regard to trade receivable, the Company applies the simplified approach as permitted by Ind AS 109, Financial Instruments, which requires expected lifetime losses to be recognised from the initial recognition of the trade receivables.

The Company assesses at the end of each reporting period whether there is any indication that an asset may be impaired. If any such indication exists, the Company estimates the recoverable amount of the asset. An asset's recoverable amount is the higher of the asset's or cash-generating unit's value in use and its fair value less costs of disposal, and is determined for an individual asset, unless the asset does not generate cash inflows that are largely independent of those from other assets or groups of assets, in which case the recoverable amount is determined for the cash-generating unit to which the asset belongs.

39.6 Financial Instruments
A financial instrument is any contract that gives rise to a financial asset of one entity and a financial liability or equity instrument of another entity.

39.6.1 Financial assets

39.6.1 Initial recognition and measurement

All financial assets are recognised initially at fair value, in the case of financial assets not recorded at fair value through profit or loss, plus transaction costs that are attributable to the acquisition of the financial asset. Purchases or sales of financial assets that require delivery of assets within a time frame established by regulation or convention in the market place (regular way trades) are recognised on the trade date, i.e., the date that the Company commits to purchase or sell the asset.

39.6.2 Subsequent measurement
For purposes of subsequent measurement, financial assets are classified in four categories:

- Debt instruments at amortised cost
- Debt instruments at fair value through other comprehensive income (FVTOCI)
- Debt instruments, derivatives and equity instruments at fair value through profit or loss (FVTPL)
- Equity instruments measured at fair value through other comprehensive income (FVTOCI)

39.6.2.1 Equity investments in subsidiaries, associates and Joint Ventures
In accordance of Ind AS 101 (First time adoption of Ind AS), the carrying amount of these investments as per previous GAAP as on the date of transition is considered to be the deemed cost. Subsequently Investment in subsidiaries, associates and joint ventures are measured at cost.

39.6.2.2 Other Equity Investment

39.6.2.3 Impairment of financial assets

The Company assesses on a forward looking basis the expected credit losses associated with its assets carried at amortised cost and FVOCI debt instruments. The impairment methodology applied depends on whether there has been a significant increase in credit risk.

With regard to trade receivable, the Company applies the simplified approach as permitted by Ind AS 109, Financial Instruments, which requires expected lifetime losses to be recognised from the initial recognition of the trade receivables.

The Company assesses at the end of each reporting period whether there is any indication that an asset may be impaired. If any such indication exists, the Company estimates the recoverable amount of the asset. An asset's recoverable amount is the higher of the asset's or cash-generating unit's value in use and its fair value less costs of disposal, and is determined for an individual asset, unless the asset does not generate cash inflows that are largely independent of those from other assets or groups of assets, in which case the recoverable amount is determined for the cash-generating unit to which the asset belongs.

39.6.3 Financial liabilities
39.6.3.1 Initial recognition and measurement

The Company's financial liabilities include trade and other payables, loans and borrowings including bank overdrafts.

All financial liabilities are recognised initially at fair value and, in the case of loans and borrowings and payables, net of directly attributable transaction costs.

39.6.3.2 Subsequent measurement
The measurement of financial liabilities depends on their classification, as described below:

39.6.3.3 Financial liabilities at fair value through profit or loss
Financial liabilities at fair value through profit or loss include financial liabilities held for trading and financial liabilities designated upon initial recognition as at fair value through profit or loss. Financial liabilities are classified as held for trading if they are incurred for the purpose of repurchasing in the near term. This category also includes derivative financial instruments entered into by the Company that are not designated as hedging instruments in hedge relationships as defined by Ind AS 109. Separated embedded derivatives are also classified as held for trading unless they are designated as effective hedging instruments.

Gains or losses on liabilities held for trading are recognised in the profit or loss.

Financial liabilities designated upon initial recognition at fair value through profit or loss are designated as such at the initial date of recognition, and only if the criteria in Ind AS 109 are satisfied. For liabilities designated as FVTPL, fair value gains/ losses attributable to changes in own credit risk are recognized in OCI. These gains/ loss are not subsequently transferred to P&L. However, the Company may transfer the cumulative gain or loss within equity. All other changes in fair value of such liability are recognised in the statement of profit or loss. The Company has not designated any financial liability as at fair value through profit and loss.

39.6.4 Offsetting of financial instruments
Financial assets and financial liabilities are offset and the net amount is reported in the consolidated balance sheet if there is a currently enforceable legal right to offset the recognised amounts and there is an intention to settle on a net basis, to realise the assets and settle the liabilities simultaneously.

39.7 Borrowing Costs

Borrowing costs are expensed as incurred except where they are directly attributable to the acquisition, construction or production of qualifying assets i.e. the assets that necessarily takes substantial period of time to get ready for intended use, in which case they are capitalised as part of the cost of those asset up to the date when the qualifying asset is ready for its intended use.

39.8 Tax Expenses
The tax expense for the period comprises current and deferred tax. Tax is recognised in Statement of Profit and Loss, except to the extent that it relates to items recognised in the comprehensive income or in equity. In which case, the tax is also recognised in other comprehensive Income or equity.

Current Tax:

Current tax assets and liabilities are measured at the amount expected to be recovered from or paid to the taxation authorities, based on tax rates and laws that are enacted or substantively enacted at the Balance Sheet date.

Deferred Tax:

Deferred Tax is recognised on temporary differences between the carrying amounts of assets and liabilities in the financial statements and the corresponding tax bases used in the computation of taxable profit.

39.9 Employee Benefits

(i) Short term employee benefits

Short-term employee benefits are expensed as the related service is provided. A liability is recognised for the amount expected to be paid if the Company has a present legal or constructive obligation to pay this amount as a result of past service provided by the employee and the obligation can be estimated reliably.

(ii) Defined contribution plans

Obligations for contributions to defined contribution plans are expensed as the related service is provided. The company has following defined contribution plans:

a) Provident fund
b) Superannuation scheme

(iii) Defined benefit plans

The company net obligation in respect of defined benefit plans is calculated separately for each plan by estimating the amount of future benefit that employees have earned in the current and prior periods, discounting that amount and deducting the fair value of any plan assets.

The calculation of defined benefit obligations is performed annually by a qualified actuary using the projected unit credit method. When the calculation results in a potential asset for the company, the recognised asset is limited to the present value of economic benefits available in the form of any future refunds from the plan or reductions in future contributions to the plan. To calculate the present value of economic benefits, consideration is given to any applicable minimum funding requirements.

Remeasurement of the net defined benefit liability, which comprise actuarial gains and losses, the return on plan assets (excluding interest) and the effect of the asset ceiling (if any, excluding interest), are recognised immediately in Other Comprehensive Income. Net interest expense (income) on the net defined liability (assets) is computed by applying the discount rate, used to measure the net defined liability (asset), to the net defined liability (asset) at the start of the financial year after taking into account any changes as a result of contribution and benefit payments during the year. Net interest expense and other expenses related to defined benefit plans are recognised in profit or loss.

When the benefits of a plan are changed or when a plan is curtailed, the resulting change in benefit that relates to past service or the gain or loss on curtailment is recognised immediately in profit or loss. The company recognises gains and losses on the settlement of a defined benefit plan when the settlement occurs.

The company has following defined benefit plans:

a) Gratuity

The company provides for its gratuity liability based on actuarial valuation of the gratuity liability as at the Balance Sheet date, based on Projected Unit Credit Method, carried out by an independent actuary and contributes to the gratuity fund. The contributions made are recognized as plan assets. The defined benefit

obligation as reduced by fair value of plan assets is recognized in the Balance Sheet. Re-measurements are recognized in the Other Comprehensive Income, net of tax in the year in which they arise.

b) Leave Encashment

Leave encashment is accounted for on payment basis.

39.10 Foreign Currency Transactions

The company's reported currency and the functional currency for majority of its operations is in Indian Rupees (INR) being the principal currency of the economic environment in which it operates.

Transactions in foreign currencies are converted into the reported currency of the company using the exchange rate prevailing at the transaction date. Monetary assets and liabilities denominated in foreign currencies outstanding at the end of the reporting period are translated at the exchange rates prevailing as at the end of reporting period. Exchange differences arising on the settlement of monetary assets and liabilities or on translating monetary assets and liabilities at rates different from those at which they were translated on initial recognition during the period or in previous financial statements are recognised in statement of profit and loss in the period in which they arise.

Non-monetary items denominated in foreign currency are valued at the exchange rates prevailing at the transaction date.

39.11 Inventories

i) Inventories are valued as follows:

Raw materials, packing materials, stores and spares	Lower of cost and net realisable value. Cost is determined by using First in First Out (FIFO) method. Materials and other items held for use in the production of inventories are not written down below costs, if finished goods in which they will be incorporated are expected to be sold at or above cost
Work-in-progress, finished goods and traded goods	Lower of cost and net realisable value. Cost includes direct materials, labour and a proportion of manufacturing overheads. Cost of finished goods includes excise duty, wherever applicable.
Waste	At net realisable value

Net realisable value is the estimated selling price in the ordinary course of business, less estimated costs of completion and to make the sale.

ii) Work-in-progress, finished goods and traded goods have been valued as per the principles and basis consistently followed.

iii) Provision for obsolete/ old inventories is made, wherever required.

39.12 Provisions, Contingent Liabilities &Contingent Assets

Provisions are recognized when the company has a present obligation (legal or constructive) as a result of a past event, and it is probable that an outflow of economic benefits will be required to settle the obligation

and a reliable estimate of the amount of the obligation can be made. Where the time value of money is material, provisions are stated at the present value of the expenditure expected to settle the obligation.

All provisions are reviewed at each balance sheet date and adjusted to reflect the current best estimate. Where it is not probable that an outflow of economic benefits will be required, or the amount cannot be estimated reliably, the obligation is disclosed as a contingent liability, unless the probability of outflow of economic benefits is remote. Possible obligations, whose existence will only be confirmed by the occurrence or non-occurrence of one or more future uncertain events not wholly within the control of the company, are also disclosed as contingent liabilities unless the probability of outflow of economic benefits is remote.

Contingent Assets are not recognised in the financial statements. However, when the realisation of income is virtually certain, then the related asset is not a contingent asset and its recognition is appropriate.

39.13 Earnings per share

Basic earnings per share are computed by dividing the net profit after tax by the weighted average number of equity shares outstanding during the period. Diluted earnings per shares is computed by dividing the profit after tax by the weighted average number of equity shares considered for deriving basic earnings per shares and also the weighted average number of equity shares that could have been issued upon conversion of all dilutive potential equity shares.

39.14 Judgements, Estimates and Assumptions

The preparation of the financial statements in conformity with Ind AS requires management to make estimates, judgements and assumptions that affect the application of accounting policies and the reported amounts of assets and liabilities, the disclosures of contingent assets and liabilities at the date of financial statements and the amount of revenue and expenses during the reported period. Application of accounting policies involving complex and subjective judgements and the use of assumptions in these financial statements have been disclosed. Accounting estimates could change from period to period. Actual results could differ from those estimates. Estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimate are recognised in the period in which the estimates are revised and, if material, their effects are disclosed in the notes to the financial statements.

39.14.1 Judgements

In the process of applying the Company's accounting policies, management has made the following judgements, which have the most significant effect on the amounts recognised in the consolidated financial statements:

39.14.1.1 Formulation of Accounting Policies

Accounting policies are formulated in a manner that result in financial statements containing relevant and reliable information about the transactions, other events and conditions to which they apply. Those policies need not be applied when the effect of applying them is immaterial.

39.14.1.2 Materiality

Ind AS applies to items which are material. Management uses judgment in deciding whether individual items or groups of item are material in the financial statements. Materiality is judged by reference to the size and nature of the item. The deciding factor is whether omission or misstatement could individually or collectively influence the economic decisions that users make on the basis of the financial statements.

Management also uses judgement of materiality for determining the compliance requirement of the Ind AS. In particular circumstances either the nature or the amount of an item or aggregate of items could be the determining factor. Further an entity may also be required to present separately immaterial items when required by law.

39.14.2 Estimates and assumptions

The key assumptions concerning the future and other key sources of estimation uncertainty at the reporting date, that have a significant risk of causing a material adjustment to the carrying amounts of assets and liabilities within the next financial year, are described below. The Company based its assumptions and estimates on parameters available when the financial statements were prepared. Existing circumstances and assumptions about future developments, however, may change due to market changes or circumstances arising that are beyond the control of the Company. Such changes are reflected in the assumptions when they occur.

39.14.2.1 Impairment of non-financial assets

There is an indication of impairment if, the carrying value of an asset or cash generating unit exceeds its recoverable amount, which is the higher of its fair value less costs of disposal and its value in use. Company considers individual PPE as separate cash generating units for the purpose of test of impairment. The value in use calculation is based on a DCF model. The cash flows are derived from the budget for the next five years and do not include restructuring activities that the Company is not yet committed to or significant future investments that will enhance the asset's performance of the CGU being tested. The recoverable amount is sensitive to the discount rate used for the DCF model as well as the expected future cash-inflows and the growth rate used for extrapolation purposes.

39.14.2.2 Taxes

Deferred tax assets are recognised for unused tax losses to the extent that it is probable that taxable profit will be available against which the losses can be utilised. Significant management judgement is required to determine the amount of deferred tax assets that can be recognised, based upon the likely timing and the level of future taxable profits together with future tax planning strategies.

39.14.2.3 Defined benefit plans

The cost of the defined benefit gratuity plan and other post-employment medical benefits and the present value of the gratuity obligation are determined using actuarial valuations. An actuarial valuation involves making various assumptions that may differ from actual developments in the future. These include the determination of the discount rate, future salary increases and mortality rates.

Due to the complexities involved in the valuation and its long-term nature, a defined benefit obligation is highly sensitive to changes in these assumptions. All assumptions are reviewed at each reporting date. The parameter most subject to change is the discount rate. In determining the appropriate discount rate for plans operated in India, the management considers the interest rates of government bonds in currencies consistent with the currencies of the post-employment benefit obligation.

39.14.2.4 Fair value measurement of financial instruments

When the fair values of financial assets and financial liabilities recorded in the balance sheet cannot be measured based on quoted prices in active markets, their fair value is measured using valuation techniques including the DCF model. The inputs to these models are taken from observable markets where possible, but where this is not feasible, a degree of judgement is required in establishing fair values. Judgements include considerations of inputs such as liquidity risk, credit risk and volatility. Changes in assumptions about these factors could affect the reported fair value of financial instruments.

INDEPENDENT AUDITOR'S REPORT

To the Members of Milestone Global Limited

Report on the Audit of the Consolidated Financial Statements

Opinion
We have audited the accompanying consolidated financial statements of Milestone Global Limited (hereinafter referred to as the 'Holding Company") and its subsidiary (Holding Company and its subsidiary together referred to as "the Group"), which comprise the consolidated Balance Sheet as at March 31, 2022, and the consolidated statement of Profit and Loss, the consolidated statement of changes in equity and the consolidated cash flows Statement for the year then ended, and notes to the consolidated financial statements, including a summary of significant accounting policies (hereinafter referred to as "the consolidated financial statements").

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid consolidated financial statements give the information required by the Act in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of their consolidated state of affairs of the Company as at March 31, 2022, of consolidated profit, consolidated changes in equity and its consolidated cash flows for the year then ended.

Basis for Opinion

We conducted our audit in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Companies act, 2013. Our responsibilities under those Standards are further described in the *Auditor's Responsibilities for the Audit of the Consolidated Financial Statements* section of our report. We are independent of the Group in accordance with the *Code of Ethics issued by ICAI*, and we have fulfilled our other ethical responsibilities in accordance with the provisions of the Companies Act, 2013. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Information Other than the Consolidated financial statements and Auditor's Report Thereon

The Company's Board of Directors is responsible for the preparation of the other information. The other information comprises the information included in Management Discussion and Analysis, Board's Report

including Annexures to Board's Report, Corporate Governance and Shareholder's Information, but does not include the financial statements and our auditor's report thereon.

Our opinion on the consolidated financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the consolidated financial statements, our responsibility is to read the other Information and, in doing so, consider whether the other information is materially inconsistent with the consolidated financial statements or our knowledge obtained during the course of our audit or otherwise appears to be materially misstated.

If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Responsibilities of Management and Those Charged with Governance for the Consolidated Financial Statements

The Holding Company's Board of Directors is responsible for the preparation and presentation of these consolidated financial statements in term of the requirements of the Companies Act, 2013 that give a true and fair view of the consolidated financial position, consolidated financial performance and consolidated cash flows of the Group in accordance with the accounting principles generally accepted in India, including the Accounting Standards specified under section 133 of the Act. The respective Board of Directors of the companies included in the Group are responsible for maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Group and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and the design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error, which have been used for the purpose of preparation of the consolidated financial statements by the Directors of the Holding Company, as aforesaid.

In preparing the consolidated financial statements, the respective Board of Directors of the companies included in the Group are responsible for assessing the ability of the Group to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Group or to cease operations, or has no realistic alternative but to do so.

The respective Board of Directors of the companies included in the Group are responsible for overseeing the financial reporting process of the Group.

Auditor's Responsibilities for the Audit of the Consolidated Financial Statements

Our objectives are to obtain reasonable assurance about whether the consolidated financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these consolidated financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the consolidated financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Companies Act, 2013, we are also responsible for expressing our opinion on whether the company has adequate internal financial controls system in place and the operating effectiveness of such controls.

- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.

- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the ability of the Group and its associates and jointly controlled entities to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the consolidated financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Group and its associates and jointly controlled entities to cease to continue as a going concern.

- Evaluate the overall presentation, structure and content of the consolidated financial statements, including the disclosures, and whether the consolidated financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

- Obtain sufficient appropriate audit evidence regarding the financial information of the entities or business activities within the Group and its associates and jointly controlled entities to express an opinion on the consolidated financial statements. We are responsible for the direction, supervision and performance of the audit of the financial statements of such entities included in the consolidated financial statements of which we are the independent auditors. For the other entities included in the consolidated financial statements, which have been audited by other auditors, such other auditors remain responsible for the direction, supervision and performance of the audits carried out by them. We remain solely responsible for our audit opinion.

We communicate with those charged with governance of the Holding Company and such other entities included in the consolidated financial statements of which we are the independent auditors regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the consolidated financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation

precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Other Matters

(a) The consolidated Financial statements include the unaudited Financial statements of one subsidiary whose Financial Statements reflect total assets of Rs. 111.46 lacs at 31-03-2022. total revenue of Rs. 365.89 lacs and total net profit after tax Rs. 6.48 lacs for the period from 01-04-2021 to 31-03-2022, as considered in the consolidated Financial statements. These unaudited interim Financial Statements have been furnished to us by the Board of Directors and our opinion on the consolidated Financial statements, in so far as it relates to the amounts and disclosures included in respect of this subsidiary is based solely on such unaudited Financial Statements .In our opinion and according to the information and explanations given to us by the Board of Directors, these Financial Statements are not material to the Group.

Our opinion on the consolidated financial statements is not modified in respect of the above matters with respect to our reliance on the work done and the financial statements certified by the Board of Directors.

Report on Other Legal and Regulatory Requirements

As required by Section 143(3) of the Act, we report, to the extent applicable, that:

(a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit of the aforesaid consolidated financial statements.

(b) In our opinion, proper books of account as required by law relating to preparation of the aforesaid consolidated financial statements have been kept so far as it appears from our examination of those books and the unaudited financial statements/financial information furnished to us by the Management.

(c) The Consolidated Balance Sheet, the Consolidated Statement of Profit and Loss including other comprehensive income, consolidated statement of changes in equity and the Consolidated Cash Flow Statement dealt with by this Report are in agreement with the relevant books of account maintained for the purpose of preparation of the consolidated financial statements.

(d) In our opinion, the aforesaid consolidated financial statements comply with the Indian Accounting Standards specified under Section 133 of the Act.

(e) On the basis of the written representations received from the directors of the Holding Company as on 31st March, 2022 taken on record by the Board of Directors of the Holding Company and the unaudited financial statements/financial information of the subsidiary company furnished to us by the Management, none of the directors of the Group companies incorporated in India is disqualified as on 31st March, 2022 from being appointed as a director in terms of Section 164 (2) of the Act.

(f) With respect to the adequacy of internal financial controls over financial reporting of the Group and the operating effectiveness of such controls, refer to our separate report in **"Annexure-C"**

(g) With respect to the other matters to be included in the Auditor's Report in accordance with the requirements of Section 197(16) of the Act, as amended:

In our opinion and to the best of our information and according to the explanations given to us, the remuneration paid by the Company to its directors during the year is in accordance with the provisions of section 197 of the Act.

(h) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditor's) Rules, 2014, as amended, in our opinion and to the best of our information and according to the explanations given to us:

i. The consolidated financial statements disclose the impact of pending litigations on the consolidated financial position of the Group– Refer Note 28 to the consolidated financial statements.

ii. The Group did not have any material foreseeable losses on long-term contracts including derivative contracts.

iii. There were no amounts which were required to be transferred to the Investor Education and Protection Fund by the Holding Company, and its subsidiary company.

Iv (a) The Management has represented that, to the best of it's knowledge and belief, no funds have been advanced or loaned or invested (either from borrowed funds or share premium or any other sources or kind of funds) by the Company to or in any other person(s) or entity(ies), including foreign entities ("Intermediaries"), with the understanding, whether recorded in writing or otherwise, that the Intermediary shall, directly or indirectly lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Company ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries.

iv(b) The Management has represented, that, to the best of it's knowledge and belief, no funds have been received by the Company from any person(s) or entity(ies), including foreign entities ("Funding Parties"), with the understanding, whether recorded in writing or otherwise, that the Company shall, directly or indirectly, lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Funding Party ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries.

Based on such audit procedures we have considered reasonable and appropriate the circumstances; nothing has come to our notice that has caused us to believe that the representations under sub-clause (iv)(a) and (v)(b)above contain any material misstatement.

v The company has not declared or paid any dividend during the year .

(h) With respect to the matters specified in paragraphs 3(xxi) of the Companies (Auditor's Report) Order, 2020 issued by the Central Government in terms of Section 143(11) of the Act, to be included in the Auditor's report, this clause is not applicable as the Companies (Auditor's Report) Order, 2020 is not applicable to company's foreign subsidiary,

ANNEXURE "C" TO THE INDEPENDENT AUDITORS REPORT OF EVEN DATE ON THE CONSOLIDATED FINANCIAL STATEMENTS OF MILESTONE GLOBAL LIMITED

Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")

In conjunction with our audit of the consolidated financial statements of the company as of and for the year ended 31st March, 2022, we have audited the internal financial controls over financial reporting of MILESTONE GLOBAL LIMITED ("the Holding Company") as of that date.

Management's Responsibility for Internal Financial Controls

The Respective Board of Directors of the Holding Company and its subsidiary are responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India ('ICAI'). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditors' Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls over Financial Reporting (the "Guidance Note") and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

Meaning of Internal Financial Controls over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with

authorizations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, the Holding Company, have , in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at 31 March 2022, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

Rights, Preferences and restrictions attached to equity shares:

The Company has single class of equity shares. Accordingly, all equity shares rank equally with regard to dividend and share in the Company's residual assets. The equity shareholders are entitled to receive dividend as declared from time to time. The voting rights of an equity shareholder on a poll (not on show of hands) are in proportion to its share in the paid- up equity capital of the Company. Voting rights cannot be exercised in respect of shares on which any call or other sums presently payable have not been paid. In the event of liquidation of the Company, the holders of equity shares will be entitled to receive the residual assets of the Company, remaining after distribution of all preferential amounts in proportion to the number of equity shares held.

Explanatory Statement Pursuant To Section 102 (1) Of The Companies Act, 2013

As required by Section 102 of the Companies Act, 2013 ("Act"), the following explanatory statement sets out all material facts relating to the business mentioned under Item Nos. 3 and 4 of the accompanying Notice:

Item No. 4 and 5:

Ms. Nikita Agarwal had resigned as Whole Time Director as well as Director of the Company with effect from 29th November, 2021. In terms of Section 149(1) read with Companies (Appointment and Qualification of Directors) Rules, 2014, the Company is required to have at least one-woman director on Board.

In terms of the provisions of the Act, any intermittent vacancy of a woman director shall be filled up by the Board at the earliest but not later than immediate next Board Meeting or 3 months from the date of such vacancy, whichever is later.

Accordingly, the Nomination and Remuneration Committee, in its meeting held on 6th January,2022 had proposed the appointment of Ms. Alka Agarwal as the new Woman Director on Board to fill the vacancy caused by resignation of Ms. Nikita Agarwal. Thereafter, the Board of Directors, in their meeting held on 6th January, 2022, approved the appointment of Ms. Alka Agarwal as an Additional Director on the Board of the Company with effect from 6th January, 2022.

Ms. Alka Agarwal is also the CEO of the Company and has been associated with the Company as such since 2004. Since she was holding the position of CEO, on being appointed as Director of the Company, she will be a Director in the Whole-Time employment of the Company. Therefore, the Nomination and Remuneration Committee had further recommended and the Board of Directors, in their meeting held on 6th January, 2022, appointed Ms. Alka Agarwal as a Whole Time Director of the Company for a period of 5 years with effect from 6th January, 2022 till 5th January, 2027, subject to approval by the shareholders in the ensuing General Meeting.

The said committee further recommended to the Board and the Board approved, subject to approval of shareholders in general meeting, paying a remuneration starting from Rs. 2,50,000/- per month to Ms. Alka Agarwal, which may be increased to Rs. 5,00,000/- per month during a period of 3 years, and which further may be increased beyond Rs. 5 lakhs/- per month on the recommendation of NRC committee subject to the maximum limit of Rs. 84 lacs per annum permissible as per Schedule V of the Companies Act, 2013.

Additional information in respect of Ms. Alka Agarwal pursuant to Regulation 36 of SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 and the Secretarial Standard on General Meetings (SS-2), is given at Annexure-A to this notice.

Additional information as required by Schedule V of the Companies Act, 2013 is given at Annexure B to this notice.

Except Ms. Alka Agarwal and Mr. Alok Krishna Agarwal, none of the directors, key managerial personnel of the Company and their relatives are concerned or interested, financially or otherwise in the resolution set out in item no. 4 and 5

The Board of Directors recommends the resolution in relation to regularizing the appointment of Ms. Alka Agarwal as Director and further her appointment as Whole Time Director of the Company and payment of remuneration to her as a WTD, as set out in Item No. 4 and 5 respectively, for approval of the Members by way of an Ordinary Resolution.

3. **Recognition or Awards:** Nil

4. **Job Profile and her suitability:** Ms. Alka Agarwal is also the CEO of the Company and has been associated with the Company as such since 2004 and has vast experience in the granite industry. During her tenure as a CEO of the Company, she has gained extensive experience in human resource management and general management and has remarkable problem-solving skills. Her performance and dedication towards the Company has been commendable. She has been actively associated in its business operation right from the day he joined the company and has played a pivotal role in all strategic business policies / decisions of the company.

5. **Remuneration proposed**: Rs. 2,50,000/- per month which may be increased upto 5,00,000/- per month.

6. **Comparative remuneration with respect to industry, size of company, profile of the position and person:** The proposed remuneration is in tune with the current remuneration packages of managerial personnel of companies belonging to the similar industry, size and with effective capital comparative to

the company. Further, it is incommensurate with the qualification and experience of the appointee and in accordance with the highly competitive business scenario requiring recognition and reward of performance and achievement for retention of best talent and motivation towards meeting the objectives of the company.

7. **Pecuniary relationship directly or indirectly with the company's managerial personnel, if any:** Ms. Alka Agarwal is related to Mr. Alok Krishna Agarwal (Chairman).

III. Other information

1. **Reason of Loss or inadequate profits:** non-availability of good quality rough granite blocks, sharp increasing in the prices of rough granite blocks i.e the primary raw materials, high input costs the turnover was affected and consequently the profitability was also reducing substantially.

2. **Steps taken or proposed to be taken-** Steps are being taken to improve the performance of the Company. Better inventory and Working Capital Management and Cost optimization are some of the measures being taken to improve the performance of the Company.

3. **Expected increase in productivity and profits in measurable term-** Granite exports are finding their feet back after being in doldrums last year due to the coronavirus restrictions. Demand is up from most of the major markets. We expect demand to grow and exceed pre-covid levels in the next financial year. The company has entered a new industry, localization and translation services. The Indian translation industry is young and evolving as compared to the translation industry in developed nations which have organised workflows in place.

THE INTRUCTIONS OF SHAREHOLDERS FOR E-VOTING AND JOINING VIRTUAL MEETINGS ARE AS UNDER:

Step 1 : Access through Depositories CDSL/NSDL e-Voting system in case of individual shareholders holding shares in demat mode.

Step 2 **:** Access through CDSL e-Voting system in case of shareholders holding shares in physical mode and non-individual shareholders in demat mode**.**

(i) The voting period begins on Wednesday, 21st September, 2022 (09:00 a.m. IST) and ends on Friday, 23rd September, 2022 (05:00 p.m. IST). During this period shareholders of the Company, holding shares either in physical form or in dematerialized form, as on the cut-off date i.e., as on 17th September, 2022

may cast their vote electronically. The e voting module shall be disabled by CDSL for voting thereafter.

(ii) Shareholders who have already voted prior to the meeting date would not be entitled to vote at the meeting venue.

(iii) Pursuant to SEBI Circular No. SEBI/HO/CFD/CMD/CIR/P/2020/242 dated 09.12.2020, under Regulation 44 of Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015, listed entities are required to provide remote e-voting facility to its shareholders, in respect of all shareholders' resolutions. However, it has been observed that the participation by the public non-institutional shareholders/retail shareholders is at a negligible level.
Currently, there are multiple e-voting service providers (ESPs) providing e-voting facility to listed entities in India. This necessitates registration on various ESPs and maintenance of multiple user IDs and passwords by the shareholders.

In order to increase the efficiency of the voting process, pursuant to a public consultation, it has been decided to enable e-voting to all the demat account holders, by way of a single login credential, through their demat accounts/ websites of Depositories/ Depository Participants. Demat account holders would be able to cast their vote without having to register again with the ESPs, thereby, not only facilitating seamless authentication but also enhancing ease and convenience of participating in e-voting process.

Step 1 : Access through Depositories CDSL/NSDL e-Voting system in case of individual shareholders holding shares in demat mode.

(iv) In terms of SEBI circular no. SEBI/HO/CFD/CMD/CIR/P/2020/242 dated December 9, 2020 on e-Voting facility provided by Listed Companies, Individual shareholders holding securities in demat mode are allowed to vote through their demat account maintained with Depositories and Depository Participants.
